**ROLE PURPOSE**

*To plan, design, deliver, assess, evaluate and manage classroom activities for Ceramics providing the highest levels of quality in the delivery of teaching, learning and assessment to students at all levels within the College curriculum.*

**MAIN ACCOUNTABILITIES**

**A. Lead high quality learning, teaching and assessment within the School/Curriculum Area**

- 1 To plan, prepare and deliver high quality learning, teaching and assessment and related resources as agreed with the Subject Leader, and Head of School/Curriculum, including using digital technologies to enhance classroom based learning and to deliver online learning
- 2 To maintain up-to-date course information including: Group Profile, Lesson Plans, Schemes of Work, Individual Learning Plans, and Student Progress Tracking.
- 3 To set, mark and return student's assignments on time (within two weeks), conforming to Awarding Bodies accreditation and College procedures as applicable.
- 4 To contribute to the required internal and external moderation procedures.

5. To provide cover for existing College staff members in cognate subject areas should the need arise.

6. To participate in the recruitment, selection and induction of students.

7. To provide course advice and guidance for students, including progression and/or vocational advice if appropriate. Manage and support student's applications to accredited courses and higher education.

8. To provide individual and small group tutorial support for students, including but not limited to following up attendance and signposting students to Student Services for further support. To implement the student absence management procedure and student disciplinary procedure if and when required.

9. Act as a point of liaison for ALS and tutors working with individual students to ensure their ALS needs are met and fully integrated with their ILPs.

### **B. Contribute to the review, planning and development of the curriculum Provision**

10. To contribute to the School/Curriculum Area's curriculum and quality review processes by providing subject-specific expertise and feedback from learners.

11. To contribute to curriculum development, to the design and authoring of curriculum materials and procurement of up-to-date digital and physical resources to support curriculum development and learning, teaching and Assessment.

### **C. Take an active role in quality enhancement, ensuring implementation of the quality assurance activities required by the College's Quality Enhancement Framework, including raising standards and improving student attendance, retention and achievement.**

12. To contribute to the management of quality enhancement procedures within the curriculum area including: attendance and punctuality monitoring, tracking of student progress and final destination, and work in accordance with the College's Learning, Teaching and Assessment Policy.

13. To contribute to the College's self-assessment process and participate in the curriculum review process and support the Subject Leader and Head of School in the implementation of quality enhancement and business development plans.

14. To contribute to staff development within the curriculum area and assisting the Subject Leader with staff inductions.

## **GENERAL COLLEGE RESPONSIBILITIES**

All College employees, irrespective of their role and level of seniority in the College are expected to be familiar with and adhere to these responsibilities:

- We put respect and kindness first, valuing our differences, richness of experience and the contribution we all make. We take time to get to know each other and are inclusive
- We understand and promote with staff and students the importance of safeguarding the welfare of children and vulnerable adults that they are responsible for or come into contact with

- We ensure we comply with the requirements of health and safety regulations to ensure our own wellbeing and that of our colleagues
- We promote and comply with all Morley College London policies and procedures, ensuring that our service delivery and treatment of others is fair and inclusive
- We ensure confidentiality at all times, only releasing confidential information obtained during the course of our employment to those acting in an official capacity and in accordance with the provisions of data protection legislation
- We promote equality, diversity and inclusion principles at all times, ensuring that the College's anti-racism and EDI statements are seen in our every-day activities and behaviours
- We are consistently professional in our behaviours, ensuring that integrity is at the heart of delivering our role and demonstrably following the Morley values, putting students at the heart of all we do
- We work to maintain and build the Morley culture of learning, collaboration, creativity and growth
- We adopt a positive, "can do" and solution focused approach , supporting our students and customers and maintaining Morley's reputation for excellence in learning, inclusivity and
- We are personally committed to Continuous Professional Development, working towards annual individual learning goals and keeping up to date on developments within our professional field

**Safeguarding children and vulnerable adults:**

- The post holder will be expected to promote with staff and students the importance of safeguarding the welfare of children and vulnerable adults they are responsible for and come into contact with.
- This job description is not exhaustive and as such the post holder is expected to be flexible. Any changes

**WORKING WITH**

The post holder will develop productive and collaborative working relationships with curriculum area staff and professional services staff from across the College, plus all other stakeholders including students, community groups and employers.

**DBS STATUS**

This post is exempt from the Rehabilitation of Offenders Act 1974 and is regulated activity. The post holder will be required to obtain an Enhanced DBS Disclosure, including an ISA barred list check.
